 3. "The Message in the Capsule," Kramer (CC)
 4. "Misdiagnosing the Mind," Tavis (CC)

Office Hours: Prof. Doppelt: Wednesdays at 3pm, HSS 7013

Course Requirements

- 1) **Attendance at all lecture and section meetings is required in order to receive 10% of your course grade.** The TA will take attendance during the first 5 minutes of each class. You lose one point of this 10% for every absence in a lecture or section. Otherwise, how much of the 10% you receive will depend on your performance on quizzes in lecture and section and on the questions you are asked to bring to section.
- 2) Two papers based on assigned topics – which are to be written entirely in your own words with no quotations or any copying from our texts or any other source. Each paper is about 7-8 pages in typescript and requires 15-20 citations referencing the primary texts to document your points. Late papers are marked down, and no late papers will be accepted without permission of the TA. **The two papers count equally for 70% of your grade. That is to say, 35% each.**
 *Note: Students agree that by taking this course all required papers must submit papers for textual similarity review to **TurnItIn through the course Ted (<http://ted.ucsd.edu>)** for the detection of plagiarism by midnight of the day the paper is due, or it will not be accepted. UCSD has a university-wide Policy on Integrity of Scholarship, published annually in the Catalog online at <http://registrar.ucsd.edu/records/grdbk3.html>. All students must read and be familiar with this Policy. **Receipt of this syllabus constitutes an acknowledgment that you are responsible for understanding and acting in accordance with UCSD guidelines on academic integrity.**
- 3) **A midterm exam will be held during Week 6 in class, and will account for 20% of your grade.**

Paper Schedule

| | |
|-------------------|--|
| Week 2 | First paper assignment handed out in Friday lecture (10/12) |
| Week 4 | First paper assignment due at the start of Friday's lecture (10/26) |
